St White's Primary School

Always Learning!

	<ul style="list-style-type: none"> Once a week a coach will train the school team for the next sporting competition. The aim is to give the children the best opportunity to bring sporting success to the school. 	Budget already allocated above.	This supported our success greatly – see success above. Pupils were more confident in their ability and encouraged them to enjoy competition.	Continue next year but to be done in lunchtime so that other time can be used to target least active children.
	<ul style="list-style-type: none"> Sportsmanship award to be embedded into all aspects of sport. Termly sportsmanship assemblies to be completed by PE lead. 		Weekly sportsmanship certificates given out in assembly to reinforce the skills needed to be a 'good sport'. Parents attended assemblies to help spread the values we have at school. Children demonstrating good sportsmanship whilst on sporting events and being commented on by other schools.	Continue next year.
<p>Total allocation spent: £0 – most already allocated above in different KI.</p>
