Portrait of an Artist (Pool with two Figures)

In 2018, this sold for £70 million becoming the most expensive artwork by a living artist sold at auction.

David Hockney (born 1937) is a British painter who lives and works in Yorkshire and California. He has also used photography and modern technology like iPads and fax machines in his work. His paintings sell for millions of dollars. The Tate Gallery says he is 'perhaps the most popular and versatile British artist of the 20th century'.

Painting Skills

- Add water to colour block and mix to a creamy consistency
- To create lighter tones, add more water
- To create darker tones add more paint
- Clean brush before using new colour
- Dry brush with paper if too wet

Works of art

Going up Garrowby Hill was one of a number of paintings produced by David Hockney in this particular part of Yorkshire. A more famous version was titled simple, Garrowby Hill.

- Hockney was involved in the pop art movement in the 1960s.
- Andy Warhol is famous for pop art too.
- He is painting, drawing, printmaking, photography, set design
