

Develop your creativity:

(3 points)

- ▶ Create a simple model of a castle using LEGO or other modelling materials.
- ▶ Make your own medieval banquet for your family and take some photos.
- ▶ Design your ideal castle. Present your idea through a labelled diagram.

This half term's POWER Project is: Castles and Knights

Out and About:

(3 points)

- ◆ Visit a local castle and take some photographs of the different parts of it (battlements, tower, drawbridge etc).
- ◆ Find the names of any castles in our local area and write down some key facts.

Research:

(2 points)

- ▶ Research the different castle building materials used (wood, stone). List the advantages and disadvantages for each material.
- ▶ Complete the following castles quiz <https://www.dkfindout.com/uk/quiz/history/quiz-yourself-on-castles/>
- ▶ Research the role of a knight in medieval times and write three facts about knights.

Choose projects to achieve your minimum

5 POWER Points.

By all means go over 5 points!

Tick off what you have completed to achieve your points.

Reading and Writing

(2 points)

- ◆ Design and write a menu for a banquet at a castle.
- ◆ Make a fact file about a castle of your choice.
- ◆ Read a story that features a castle and write a book review.

Writing

(3 points)

- Write a story about a knight. Include lots of the information about castles you've discovered!
